C of C Entertains County Council

On Sunday, February 18th, the Directors of the Haliburton Highlands Chamber of Commerce entertained County Council members at a banquet held at Deer-Lodge.

The purpose of this banquet was to inform County Council of some of the activities of the Chamber and explain to them where the money is spent, and the amount needed to run the Chamber on a competitive basis with other Tourist Regions.

Mr. Fred Hall from the Ministry of Industry and Tourism was the Guest Speaker, and gave a very interesting talk on his Department and some figures on the tourist spending in Ontario. He stressed Haliburton County was receiving less than one per cent of the tourist market spending in Ontario, and said, "our Department is doing our share to help you, in the amount of \$10,000, the rest is up to you, if you want the business, you will have to go after it."

Mr. Art Ward gave a slide and talk presentation on the advertising the Chamber is doing and explained to County members we were falling quite short of our potential, for lack of funds.

The most effective speaker of the evening was Mr. Ted Gardiner, who delivered the cold facts on finance, and the crunch to County members, when he revealed what the Chamber needed in the way of a County grant to stay in business.

The following is the main context of that speech:

The Haliburton Highlands Chamber of Commerce was incorporated in order to establish a non-political body of dedicated and interested businessmen and women of the Community who would offer their collective services, knowledge and energy to furthering the progress of the Highlands. The progress of this Community depends upon the economy continuing to move ahead by means of new industry being attracted to this area. Industry which will not interfere with nor impede the develop-

ment of tourism in the area. Industry that will enhance and blend in with our various tourist attractions.

This Chamber is dedicated in its efforts to make available to the resident businesses as well as perspective new businesses all the benefits available to the Chamber establishing clean, attractive and progressive industry in the Highlands.

We are also intensely aware that the unique culture and life style of the Highlands must be preserved. Witness our efforts to have the Bethel Church cited as an historical monument. We also strongly advocate that the Bethel Church be renovated so that it might serve as evidence of the early history of the Highlands.

Witness also our sponsorship of the best selling book "In Quest of Yesterday". Now out of print I am disheartened to say that our finances do not allow us at this time to sponsor another addition.

Witness also our efforts to publicize the Highlands by our sponsorship of the Highland Tartan. Tartan caps, vests, slacks and skirts are worn both residents and visitors. Our Highland Tartan is splendidly displayed by the new Haliburton Pipe Corps which has met with exceptional success.

In this age of specialization the Chamber has developed a structure composed of committees. These committees are specifically empowered to deal with the many branches of Provincial Government directly affecting the aims of the Chamber and thus of the Community. The Ministries of Industry and Tourism, Transportation and Communications, Natural Resources, Environment, Treasury and Intergovernmental Affairs are the Department with which the Chamber finds itself mainly involved.

As well constant contact is maintained with the Central Ontario Coordinating Council, Ontario Chamber of Commerce and the Canadian Chamber of Commerce.

We are also available to the
(Continued on Page 9)

CHAMBER OF COMMERCE HEADS INTO SUMMER SEASON WITH NEW PROMOTION

The Directors of the Haliburton Highlands Chamber of Commerce have adopted the slogan "Haliburton Highlands is for Lovers", and have kicked off a new promotional campaign using the new slogan and a heart-shaped design with two

Raccoons, to help promote the County.

It was the feeling of the Directors of the Chamber, they needed a symbol and a catchy slogan to give the County colour and a flare of interest, and at the same time leave a warm and lasting impression in the minds of visitors who come to the Highlands.

The logo pictured here will be used as a two colour effort, the inside of the heart being in red.

The use of Raccoons was a natural for everyone coming to Haliburton usually gets involved one way or another with this friendly little animal, which is so plentiful here in this County. The slogan seemed to be a natural too, for people coming to

MINDEN CUB NEWS

On February 16th the 1st Minden Cub-Pack invested their 30th cub, Randy McNab. Badges also presented were Handymans badge to Joe Dollo also Houseorderly badges to Randy McNab and Les Booth.

The cubs were also honoured by the presence of Constable Barry Connelly who gave a talk on scuba equipment and diving plus the safety aspect of both.

On Sunday February 18 being the beginning of Cub, Scout,

HALIBURTON WINTER CARNIVAL THIS WEEKEND

As they say in Haliburton, "Toquepic welcomes you". Toquepic is their Winter Carnival symbol and will be seen everywhere this weekend, February 23, 24 and 25.

This is Haliburton's 5th Annual Winter Carnival, and from all reports, they have a really big show lined up for everyone.

Just to mention a few things which are on the program: Ice Sculpture contest, Invitation Mixed Bonspiel, Toquepic Tavern will be open to the public, Carnival Queen contest, Teen Snow Ball featuring the "Copper Penny" at the High School Campers Breakfast, Legion Hall Minor Hockey games, Guild of Fine Art sale and display, Snowmobile Safari, Carnival Ball at the Legion Hall on Saturday evening at 9:00 p.m., Fireworks Display, Massey-Ferguson Red Nites Demonstration, just to mention a few of the many Attractions at the Haliburton Winter Carnival. Make it a date to attend, and have yourself a ball.

INGOLDSBY

One 65 acre parcel with large barn and shed 1/2 mile road frontage. \$12,500.
98 partly wooded acres. \$10,000.

THE MAIDENS' VIEWPOINT !

by
Norm Maidens

Without Prejudice

In the section, "Letters to the Editor" you will see a letter addressed to me from Miss Helen M. Singer, Reg. N. P.H.N. Director

Outpost Hospital Department. This letter is in answer to my column appearing in the February 1st issue mentioning the Haliburton Red Cross Hospital. (you will note the column was in February not the last week in January as suggested) However, we are not all perfect so this is an understandable oversight.

If you haven't read the letter, please, read it now and come back to the column — Ah, here you are back so I assume you have read the letter.

Miss Singer has a job to do and I understand she is a very fine and dedicated person and does her job well. I sincerely regret having "disturbed" her. She has done her job, I have been publicly reprimanded and I accept the rebuke in the spirit in which it was written.

The incident was a local one, and, by the 'phone calls and personal contacts I received after the publication of the column, not an isolated one. The local Red Cross Society in Haliburton should have been able to handle it but for some reason or other they have failed to do so. By allowing the complaint to reach the "Ivory Tower" they have allowed the incident to be blown up out of all proportion.

To keep the record straight (and Miss Singer) let me repeat what I have said before. Fenwick Finch and I have been writing columns, in different papers for over 20 years and in all that time no one has ever dictated to me what I write or don't write. I write as it happens to me and, good, bad or indifferent, I am prepared to stand behind any statement I make.

The late Harry S. Truman, former President of the United States had a remark which I fully believe in — "If you can't stand the heat, stay out of the kitchen."

To leave the medical field for a moment. As usual, I goofed a little and gave the wrong man credit for the statement, "Let me take you to the Casbah." My closest neighbor and severest critic, Mrs. Daisy Bates took me task and pointed out it was Charles Boyer who made the request not, Humphrey Bogart — as others have quoted, "we are not all perfect" so I stand corrected.

Now, back to the field of medicine. Acupuncture, a Chinese skill for over some 5000 years is now suddenly becoming prominent on T.V. talk shows etc. and everyone seems to be developing quite an interest in it. Most of the dictionaries I've looked at and the Britannica either don't mention it at all or only give it passing mention. This will be all taken care of shortly. The end of this month will see Dr. Bob Koval on his way to China to visit one of the leading Universities and spend time studying and researching the art under one of China's leading practioners in the art.

When the good Doctor returns if he cares to guinea-pig me I'm all for it — If he can cure my problems he stands to get a great many more enthusiasts. So, bon voyage, Doctor and the best of luck to you.

That's it for this week. Drive carefully — don't get involved in an accident through stupid driving. Acupuncture may be the coming thing, but, even it is no cure for a fatality.

LETTER TO THE EDITOR

February 9, 1973
Haliburton, Ontario

Mr. Norm Maidens,
Minden Progress
Dear Mr. Maidens:

Yesterday a copy of your column, which appeared in the Minden Progress the last week in January, came to my desk.

I was rather disturbed to find this type of complaint appearing in the local newspaper. I am sure you must be very familiar with the administration of our hospitals, and I regret that you did not see fit to direct your complaint by letter to this office, rather than through the columns of the local newspaper. By so doing, you not only pointed a finger at one person but at three members of our staff at Haliburton who are all British-trained nurses.

Any complaint we receive in writing is definitely investigated through this office, and we are attempting to check out all the details of this incident which you have mentioned rather vaguely in your article in the Progress. We know that no one is perfect, and we want to make sure that at all times our staff members serve the public courteously; but we want to be sure that if there are JUST complaints, they come directly to us so that the proper persons can be interviewed and given an opportunity to air their side of the story.

We do regret that other members of our nursing staff had to suffer because of this newspaper item, when it would have been so easy for you to contact us directly.

Yours sincerely,

Miss Helen M. Singer,
Reg. N. P.H.N.
Director, Outpost
Hospital Department.

RES. 286-2474

COUNCIL OF ANSON, HINDON AND MINDEN HELD REGULAR MEETING

On Wednesday, February 7th, Council here held its regular meeting with all members present and Reeve Reg Booth in the Chair.

Mrs. Irene Moore was present on behalf of the Library Board to submit their annual budget.

Moved by Doug Pritchard, seconded by Frank Welch that the Library Board Budget for 1973 be approved at \$1,100.00. Carried.

Sgt. Tom Dube of the Minden O.P.P. Detachment was present to discuss snowmobile complaints.

Mr. E. Pergolas was present regarding the operation of the Food Concession in the new Community Centre. He presented a list of equipment with approximate prices.

Mr. Gerry Dicker of Trent Restaurant Supplies Limited was present to submit a list of equipment suggested with prices.

The matter was deferred for study.

Letter was received from Mr. and Mrs. Cecil Gibson regarding winter conditions of Horse-shoe Lake Road No. 1. Guard rails will be considered for the trouble area as funds permit.

Letter was received from the Brady Lake Ratepayers Assoc.

regarding road access to Brady Lake. It is to be pointed out that the road put through by the Construction Company is on private land. Only the existing road will be maintained.

Moved by Robert Gorrie, seconded by Doug Pritchard that the Clerk submit the statement of proposed expenditures for public transportation and highway improvements for the year 1973 based on the allotment granted from the Ministry of Transportation and Communications. Carried.

Moved by Frank Welch, seconded by Al Coneybeare, that the Clerk be directed to prepare the necessary By-laws and documents for the closing of Lyons Street, from Newcastle Street to the Gelert Road. Carried.

Mr. Hugh Alton was present regarding a proposed rezoning in Lot 14, Conc. 2, Twp. of Minden. The Clerk is to research this request and prepare a procedure to follow.

Moved by Frank Welch, seconded by Al Coneybeare that we release Hugh Kirkland of obligation for demolition of arena, also allow him \$200 to cover insurance. Carried.

Letter was received from A. R. Cork regarding a possible claim for injuries from Mrs. Ruby Johnston concerning a fall.

Letter was received from Mr. and Mrs. J. VanHoof regarding

condition of River Road and claiming that damages were incurred. No cancellation of taxes was granted as requested.

The Clerk was directed to prepare the Fire Protection Agreements with Snowdon and Lutt-erworth Townships as decided by Council.

Moved by Al Coneybeare, seconded by Robert Gorrie that Council pay the Annual Fee of \$25.00 for dues to the Haliburton County Mutual Fire Aid Association. Carried.

Moved by Doug Pritchard, seconded by Al Coneybeare, that the Road Accounts be approved in the amount of \$8,152.27. Carried.

Moved by Al Coneybeare, seconded by Frank Welch that the Accounts Payable be approved in the following amounts: General \$118,858.36. Carried.

Moved by Doug Pritchard, seconded by Robert Gorrie that the following be authorized to attend the Annual Conference of the Ontario Good Roads to be held in Toronto on February 26, 27, 28, 1973, Al Coneybeare. Carried.

Moved by Frank Welch, seconded by Al Coneybeare that Robert Gorrie be appointed as the Industrial Development Contact for the Townships of Anson, Hindon and Minden. Carried.

Moved by Robert Gorrie, seconded by Doug Pritchard, that we advertise for tender for 10,

000 yards crush. Carried.

21 applications were received for the position of By-law Officer and deferred for study.

Letter was received from Hon. James A. C. Auld, Minister of the Environment advising of the increase in subsidy for the proposed sewage program.

Letter was received from the Canning Lake Cottagers Association regarding the future of Ingoldsby Dump. The Association to be advised that no alternative site has been located to date.

The Canning Lake Cottagers' Association, after making 3 donations to the Community Centre expressed the desire to purchase a small appliance for the Centre. The Clerk is to assist the Association in this regard.

Letter was received from J. Earl Palmer requesting approval of severance of lot belonging to Mel Robertson. It was decided that the rezoning approval must be obtained first.

Letter was received from H. Lloyd Johnson praising efforts of Roads Dept. during the recent severe icing conditions.

Letter was received from H. Kirkland of Highland Services donating \$300 worth of signs to the Community Centre.

Moved by Robert Gorrie, seconded by Frank Welch that Duncan B. Prentice be granted a taxi drivers license. Carried.

Moved by Frank Welch, sec-

onded by Robert Gorrie, that By-law No. 73-5 having been read a first time be considered as read a second and third time and passed,

Being a By-law to authorize the Reeve and Clerk to execute an agreement with the Dept. of Manpower and Immigration relative to a Local Initiative Program. Carried.

Moved by Robert Gorrie, seconded by Frank Welch that By-law No. 73-6 having been read (Continued on Page 4)

BREAKTHROUGH

While the church people congregated at the Anglican Church Sunday, for what was advertised as "Breakthrough Week", the Directors of the Haliburton Highlands Chamber of Commerce were hosting County Council members at Deer Lodge, hoping to breakthrough the purse strings and into the vault. The Chamber needs money, much money, if they are to continue promoting this County. The wining and dining of County Council members with the Directors of the Chamber was one way to have a sociable evening and at the same time air the program, past, present, and future, of the Chamber of Commerce here in Haliburton County.

The Chamber of Commerce has been, over the years boosting the Highlands far and wide, while at the same time hanging on to a shoe string at the bank. Now with rising costs, and great competition from other tourist regions for the tourist dollar, the Directors have no alternative but to ask for a substantial raise in grant money to survive and gain our share of the tourist dollar. Last year Haliburton received less than 1 per cent of the tourist dollar in Ontario — the only way the Chamber can increase this is by a more extensive advertising program and better public relations at all key trade shows and exhibitions.

When one talks about expense and the management of the C of C, the Directors are once again in the market for a new Secretary-Manager. This means they face the problem of paying a healthy salary if they are to obtain the top personnel needed for this position. Marion Arntfield, the present Secretary-Manager has only been filling in while the Directors advertise for someone to fill this position. Marion has done a great job at the Chamber, and it is hoped she will be able to remain on in a smaller role, so the Directors may benefit from her experience.

The evening at Deer Lodge was most successful, the Chamber made an honest effort to explain the situation to County members, and they in turn listened intently, this liaison between County and Chamber has been needed for a long time, for both bodies are working for the betterment of the people in this County. Council holds in its grasp the opportunity to gain financing — the Chamber holds in its grasp the ability to promote and advertise for this Counties share of the tourist dollar, if both work together great things can be accomplished.

The reason I say the meeting was successful, comes from the enlightened attitude, I found in talking to most of the members of Council after the meeting. They were extremely pleased the Chamber invited them to a review of their work, and future plans, some members had never been directly involved in the work of the Chamber, and they came away impressed with what they saw and heard. The Directors only hope they were impressed enough to open the vault door a little further so the work of the Chamber can continue, and Haliburton Highlands can reap their share of the tourist trade.

COUNCIL OF ANSON, HINDON AND MINDEN HELD REGULAR MEETING

(Continued from Page 3)

a first time be considered as read a second and third time and passed.

Being a By-law to authorize the Reeve and Clerk to execute an agreement with Hugh Kirkland (Highlands Services) to transfer the ownership of old arena back to the Municipality to be absorbed in the Winter Works Program. Carried.

Moved by Doug Pritchard, seconded by Al Coneybeare that By-law No. 73-7 having been read a first time be considered as read a second and third time and passed.

Being a By-law to authorize the Reeve and Clerk to execute an agreement with the Ministry of the Environment relative to the proposed Sanitary Sewer Program. Carried.

Moved by Doug Pritchard, seconded by Robert Gorrie, that By-law No. 73-8 having been read a first time, be considered as read a second and third time and passed.

Being a By-law to establish the rates of remuneration for Members of Council. Carried.

Moved by Frank Welch, seconded by Robert Gorrie that By-law No. 73-9 having been read a first time be considered as read a second and third time and passed.

Being a By-law to establish the rates of remuneration of certain employees of the Townships of Anson, Hindon and Minden. Carried.

Moved by Al Coneybeare, seconded by Frank Welch, that By-law No. 73-10 having been read a first time be considered as read a second and third time and passed.

Being a By-law to amend By-law No. 72-5 being a by-law to regulate hours of work. Carried.

Moved by Doug Pritchard, seconded by Frank Welch, that Council now adjourn. Carried.

MINDEN CUB NEWS

(Continued from Page 1)

Venture, Brownie and Guide week, the Cubs, Scouts and Venturers attended St. Pauls Anglican Church, where the new Scout and Venture flags were dedicated. Father Andrew Hutchison was invested as Chaplain, also leaders Tom Dube as Scout Master, Don Blakey as Cub Master and Mike Legge as assistant Cub Master. Father Andy was also presented with a Chaplain Preaching Scarf, which was presented to him by the Cubs and Scouts. The investiture was done by Lloyd Johnson and Don Berry.

GAME OF THE WEEK — with Cliff Burke

BOB DUDMAN DIFFERENCE IN JUVENILE PLAY-OFF SUCCESS WITH LITTLE BRITAIN

The Minden Kings took a 2-0 lead in their best four out of seven play-off series with the Little Britain Jets last week. The reason for the Kings two zip lead is their red-hot goaltender, Bob Dudman. The Kings downed the Jets on Tuesday evening in Minden 4-2, with both goals by Little Britain going in off King defencemen in the third period. Then on Saturday evening in Little Britain, the Kings edged the Jets 5-3. Once again Bob played superb hockey, having no chance on any of the three Jet goals.

On Tuesday, the Kings opened the scoring at 4:20 of the first period on a beautiful slap shot from the left point by Bill Jackson that caromed off the far post and into the net. John Welch then gave Minden a 2-0 lead at 19:25 to end the first period 2-0. The shots on goal in this period were even at 17 each.

The second period was scoreless with Minden outshooting the Jets 17-13.

John Welch got his second of the evening at 4:50 of the third period, putting the Kings into a commanding 3-0 lead. At 9:50, Little Britain centre Frank Ingram slammed a shot in off Royce Miller to put the Jets back in the game. But not for long, three minutes later at 12:52 big Suds McElwain converted a great three way passing effort starting with Bill Jackson to Wayne Harrison to Suds parked in front, to give Minden back their three goal lead, 4-1.

The Jets closed out the scoring at 18:37 on another blast off a Minden defenceman, that found the King net. Gordon Archer was credited with the goal. The Kings outshot the Jets 20-7 in the third period for an overall edge of 54-37 on the game. Referee's Brian Black and Mark Schell handed out 64 minutes in penalties, including 3 misconducts.

The game in Little Britain on Saturday evening saw John Welch of the Kings pick up four big goals including the winner and the clinching goal into an empty Jet net in the dying seconds. Bill Jackson had a single for Minden. Gordon Archer, Wayne Starr and Frank Ingram scored for the Jets.

The third game in this series will be played Monday, February 19 in Minden at 8:30, the fourth game will be back in Little Britain on Thursday, Feb. 22 at the same time.

SPORTS CORNER

with CLIFF BURKE

BROOMBALL TOURNAMENT: The Minden Hylanders have been extended an invitation to play in the Provincial Broomball Championship in Millbrook, Ontario on March 3rd. The invitation was extended after the final showing of the Hylanders in the Port Perry Chamber of Commerce Broomball tournament this past weekend.

The Hylanders hope to have a bus to go to these Championships so that anyone wishing to attend will have a ride. The cost will be a \$1.00 a person. The time the bus will leave, providing we get one will be in next weeks column. I sure would like to see it full folks, the calibre of play of most of these teams is extremely good and I guarantee you'll have an enjoyable trip.

The Hylanders from Minden have also been invited to the tenth annual Colborne tournament on March 17th.

The Minden team met the Provincial champions, Barrie C.G.E. in their opening game at Port Perry and held them to a 6-1 Victory. Without the outstanding performance of the Hylander goaltender Dwight Thomas, the score would have easily gone into double figures. Wym McGee opened the scoring at the 0:17 mark of the first period but that's all the attack the Minden team could muster against this vastly superior team. Barrie held a 42-6 shot on goal edge in the game.

In the second game on the consolation side of the tournament, Minden was blanked 3-0 by Orillia.

This game was on even terms until the halfway mark of the first period when a fluke accident knocked our top defenceman out of the game. Brian McGee was covering a two on one break when he was tripped, he hit his face very hard on the ice and lost two teeth. He was taken immediately to the hospital by Junior Alton and Doug Robinson for treatment.

This accident left the Hylanders with just one experienced defenceman in Brian Ladurantaye, who played practically the whole game from that point on. Some of the Orillia boys are going to be pretty sore this week from some of the crunching checks thrown by Brian. The Hylanders sincerely hope that Brian McGee will be back on defence for them in Millbrook. If he is unable to play, we'd like him to handle the coaching during this tournament.

I'd like to take this opportunity of thanking President Vin Walker of the Port Perry Broomball Association for inviting us to their tournament and look forward to their second annual tourney next winter. It was by far the best organized tournament I've ever had the privilege of playing in. By the way the Colborne Mynards defeated Port Perry for the Championship. Peterborough Canucks defeated Orillia in the Consolation Final.

HOCKEY: In Minden O.M.H.A. play-off action this past week, the Minden Midgets lost their first two games in their best three out of five series with Kinmount. In the first game in Kinmount the score was 7-5. Al Trepanier had two goals, singles went to John Welch, Doug Ray and Curtis Rodgers. In the second game on Sunday, Kinmount won 6-3. John Welch had all three goals.

In Bantam play-off action, the Bantams were eliminated from further action when they dropped a 7-3 decision to Coboconk. Coboconk won the best three of five series three straight. Shayne McKelvey, Scott Gartshore and Doug McNabb scored for Minden.

The Minden Pee wee A team were ousted from further play-off action on Monday evening in Minden when they were edged 3-1 by Coboconk. David Brown scored the lone goal for Minden.

LINDSAY PRESBYTERY

MEETING ENDED ON RIDICULOUS NOTE

What began as the most spirited session of Lindsay Presbytery of the United Church of Canada, meeting in Cambridge St. Church, Lindsay this week, ended on a somewhat ridiculous note. A discussion and ensuing vote resulted in an 83 percent support of the national church's call for abolition of capital punishment, substituting reasonable and viable alternatives.

In an unorthodox precedent, delegates voted with eyes closed, so no one could know how the other voted. The "blind vote" was taken amid jeers, feigned snores, and demands of "where's the courage of our convictions?" from some delegates.

The discussion, however, was on a much higher level, with sincerity and integrity throughout. Only seven voted against the motion, and of these, two said their negative vote was on the basis of the United Church's inconsistency in the matter of taking life, as evidenced in a somewhat liberal ruling on abortion at the last two General Councils.

"It doesn't matter whether it is an unborn foetus, or the life of a convicted criminal," declared the Rev. John Bunner of Fenelon Falls. "It is still the taking of a life, and I cannot support such inconsistency."

Other argued that presbytery was being asked to vote on one specific issue and not two. In summing up, Chairman, the Rev. Lorne Dorsch of Lindsay, said he felt the most significant statement on the whole matter, came from the widow of a slain Toronto policeman, saying that her husband had always opposed violence of any kind, and that she could hold no bitterness.

Although charged with emotion at times, the debate was courteous and relevant. Most speakers had done their homework.

ABOUT THE TOWN

with Jeanne Sears

There was a lucky lady at Rotary Bingo last Thursday night when Ida Sawyer won six times with total take of \$49.50. There were no other big winners but suppose the Mini Jackpot of \$100 will soon be won.

Sincere sympathy to the families and friends of the late Howard Hopkins and Gertrude Soelling whose funerals were since last week.

Bertha and Bob Hughes are happy on the arrival of their first grandchild, a daughter Carol Ann, for Beth and Dave Titus.

All the community sends good wishes to Mrs. Wallace Walker at Ross Memorial Hospital Mrs. Amos Brubacher at K. and W. Hospital Kitchener and to Mrs. Warner Casey who will be at St. Josephs Hospital, Peterborough next week.

Many of our people are away or have been away in the Sunny South on holidays; these include Shirley and Charles Brandon, Marjorie and Bob Young, Edith and Bill Coneybeare and Wynn and Wilf LaHay.

Note that the Nature Film Vanishing Wilderness will be just one night at Beaver Theatre, February 26th and Molou Theatre February 27th with two showings each night.

There was a Special Service at St. Pauls Anglican Church last Sunday with Sister Julianna and Father Patterson speakers. There was also Church Parade for the 1st Minden Scout and Cub Venturers when they dedicated their Flag. At the Evening Service dedications were of the 60 hymn books in memory of Florence and Allen Hewitt and Censer, Boat and Spoon given by Mr. Frank Welch. Services continue every day this week during "Break Through Week".

Dollo's I.G.A. will be closed from February 26th through to March 21st, we will miss their service and friendly smiles.

At the Mini Card Party at the Parish Hall last Thursday afternoon winners were for cribbage Dora Dawson and Doris Craig and for euchre Shirley Elcome and Jeanne Sears.

Do you often wonder if you have a bargain? Be sure it is what you wanted and the right size, color and in good condition. In case of sales there is often no exchange and if you get it out of town, especially you may not get back to that store. A bargain is only one, if you are really satisfied.

This weekend is a busy one at Haliburton when they have their Winter Carnival with all its many events and should appeal to all the family. We saw many from that village at our Carnival, so join the festivities at Haliburton.

Did you notice that the old arena is being taken down; suppose this space will be used for needed summer parking.

Several really cold nights and really windy, still much snow around.

Cheerio until next week.

TENDER

Tenders will be received until 4 p.m. March 19, 1973 to paint part of Hyland Crest Home Bed Care Area.

Touch up and 1 coat if covers, two coats if needed — on ceiling, walls and woodwork, in a semi-gloss enamel.

Inspection may be arranged by contacting Mrs. E. Bursey or Mr. Sidney Brown.

Lowest or any Tender not necessarily accepted.

Notice

APPLICATION FOR PLAYGROUND SUPERVISOR

Application for Playground Supervisor for the period of July and August 1973, may be picked up at the Anson, Hindon and Minden Municipal Office and must be submitted before May 1st, 1973.

Applicants must be over sixteen, and have a sincere interest in children.

Applications will be accepted from male and female applicants.

Minden O.P.P. were the winners of the Minden Winter Carnival Broomball Tournament, the picture above shows the team, back row from left to right, Ron Buchanan, Bill Clendenning, Brian Ladurantaye, Dennis Potter, Doug Heath, Barry Connelly, Larry Scott, Tom Boyce, Mike Mahar. Front row, Mike Hickey, Bill Devereaux, with the Championship trophy and Bob Wood. Congratulations to the boys in blue.

COUNTY WOMEN HELPING IN VIETNAM

A growing number of Haliburton County women have become busy knitting, crocheting and sewing tiny vests, shawls, helmets and cot blankets for children in Vietnam. All the garments and blankets are made in dark colours for purposes of camouflage.

If you would like to help and you don't sew or knit, perhaps you could donate wool, cloth or money to buy these precious materials and keep these busy fingers supplied. Scraps of dark coloured wool can be knit into squares for cot blankets. Money donated and not used for wool and cloth will be sent to the "Canadian Aid for Vietnam Civilians", P.O. Box 2543 Vancouver B.C. This group has sent thousands of dollars worth of medical supplies and thousands of knitted articles to all parts of Vietnam.

Even though the ceasefire is now official for the people of Vietnam the suffering is far from over. Tiny babies as well as older children and their mothers have been horribly wounded and desperately need medical aid. Family life has disintegrated and many children have to find for themselves. Most live in caves and trenches hiding from the bombs. In Laos and Cambodia heavy bombing continues, and with it a pressing

SNOWMOBILE ASSOCIATION RALLY GOES WELL

In spite of morning temperatures of 28 below an estimated 200 riders on 170 snowmobiles braved the cold to take part in the first Annual Snowmobile Rally sponsored by the Haliburton County Snowmobile Association. The day was Sunday, February 11th.

The riders came in groups of from two or three to fifty or more to converge on the base camp of Haliburton Forest and Wildlife Reserve where Mr. Pat Waddell and his staff had prepared the traditional snowmobiler's cook-out fare of wieners and beans with steaming coffee and hot chocolate. Club crests most in evidence were the Dorset Tall Pines people, the Horse-shoe Lakers, and the Donald Windigos. After an hour or two of fellowship all were off on the cold ride home.

The H.C.S.A. expresses its thanks to the Haliburton Forest people and the snowmobilers who turned out to make the trip a success. There will be more such rallies in the future.

need for our help and involvement.

Contact Diane Brown, RR 1 Haliburton at 754-2265 or Lolly Pettigrew 754-2155 for patterns or to donate wool or money.

LICENCE DEADLINE GETTING CLOSE

More than 1,300,000 Ontario motorists still have to purchase their 1973 licence plates, and they have only eight weekdays to do so before the February 28 deadline, Ministry of Transportation and Communications officials warned today.

However, all government licensing offices across the Province will remain open on Saturday, February 24, from 8:30 a.m. to 5:00 p.m. to assist car owners who cannot purchase their plates during the week.

Many other privately operated licence issuing offices in smaller centres will also extend their hours to cope with the last minute rush.

The deadline for driving with 1972 licence plates is midnight, February 28. Any motorist convicted of driving with expired plates is liable for a minimum fine of \$20 plus court costs.

Annual cost for an 8-cylinder vehicle is \$40; a 6-cylinder vehicle, \$32; and \$23 for a 4-cylinder vehicle.

**RED CROSS SERVES YOU
EVERY STEP OF THE WAY**

C of C Entertains County Council

(Continued from Page 1)
hundreds of National and International Trade and Travel Centres, Border Information Centres, Motor Leagues, Camping and Tractor Organizations and Trade Shows such as the Snow and Ski shows and the Sportsman Show where by the way, we hope to have representation this spring.

This brief outline of activity within the Chamber reveals a rather unique structure. Why unique? Because it is the only organization in this Community that has as its premier purpose the concept of promotion. We exist in order to promote. Promote the economy. Promote the culture. Promote the independent existence of the Highlands, its beauty, its conveniences and its potential!

Although, as I have said, this body is unique in this Community, it is most certainly not unique in the Province. Every successful city, town or village as in every successful business venture must be promoted. The fact is that if you look at our great cities in Canada and think of the personalities that are presented by them these personalities have been projected by the respected Chamber of Commerce. Note the recent competition between Toronto, Montreal and Vancouver for convention business. The Toronto Chamber of Commerce developed a theme about 3 years ago & Toronto was suddenly known as quote "Toronto, affectionately yours". Buttons, car stickers, flags and advertisements were and are everywhere promoting Toronto as a great place to visit and spend a buck. As a result the major hotel chains have moved into the city and conventions are now being booked into the mid 1980's. That same competition challenge is here in Haliburton on just as important a scale. As you well know our tourist trade attracted 10.8 million dollars into our area during the year 1971. Although that is a most impressive figure the fact is that we were only able to maintain the same share of the tourist market as we had had in 1970. Even though the increase of money into the County was in the neighbourhood of 1 1/2 million dollars we were unable to gain on our competitors in the Kawartha's, Huronia and Muskoka. Tourist capital is essential. Tourist dollars are new capital coming in from outside. It is capital that we then use to pay for in — Community Services. We need that capital. We must not sacrifice one dollar of it until we can substitute something else in its place.

Huron, Muskoka and Kawartha know this as well. Their campaigns are heavily financed because they are more populated and because they realize the importance of tourist capital.

We can compete with these areas on an aesthetic basis if not on a financial one for truly there is no place to compare with Haliburton Highlands. We have the water falls, the rivers, the streams and the lakes and bounties therein. Our committee on pollution tells us that our lakes are on the whole, in good condition. We know that the other areas cannot say that with as clear a conscience. We must strive to maintain this balance with nature.

We have the lodges, motels, camp grounds and wilderness areas.

We have the skiing, the snowmobiling, bonspiels, winter and summer carnivals.

We have it all and more. We can compete and we must if we are to continue to offer our citizens the prosperity they deserve.

Our membership stands at just over 200. We have increased our membership fees in each of the last two years by over 30 per cent. We are reviewing the fee structure again this year to ensure that it is equitable but productive.

Just as every individual complains so do we. We are spending more and getting less. Our expenses decline but we end up with less pamphlets, less brochures, less business directories and less year round advertising then we have had in other years.

Our area is no longer a summer tourist haven. That business is there granted. But take a drive down Highway 35 some Friday evening anytime during the winter and count the cars with skis and snowmobiles rolling north. We must establish a year round centre on Highway 35 in order to provide services to this winter phenomenon which is just now reaching our boundaries.

In the past year our budget was \$25,000.00. This covered all salaries, maintenance, T.V. and newspaper advertising, tour booklets, business directories and maps of the area. That expenditure does not include one payment on account of expenses to any director in this Chamber. Not one travel allowance, not one photocopy nor not one long distance telephone call. We keep our costs at a minimum.

Mrs. Arntfield the Secretary-Manager has decided to retire

and the directors are resigned to the fact that we shall be losing her excellent services. A man or a woman to her stature shall be hard to find indeed. But find one we must for the Secretary-Manager is the only full time representative of the Chamber and of the Highlands.

In 1972 our revenue of \$25,000 was broken down as follows:

Membership contributed 30 per cent of the total revenue. The Province of Ontario contributed 43 per cent. County Council contributed 17 per cent and we received 10 per cent of our revenue from miscellaneous sales.

This budget did not allow us to conduct any promotion campaigns nor could we have representatives at any of the major trade or travel shows in Ontario or at areas within a days travel of here such as New York and Ohio. Our competition is doing just that.

This budget did not afford us the opportunity to offer our services to Haliburton Village in manning the caboose information centre at Head Lake at the entrance to the Village. If Haliburton wishes, we would like to assume that responsibility.

Our budget limits us in advertising and Mr. Art Ward will deal with that aspect shortly.

Our budget in 1972 could not provide us with sufficient funds to winterize the information centre in order to provide our Secretary-Manager with an office presentable to the public on a year round basis.

The 1972 budget left many important committees without any funds whatsoever. If these committees are to continue to provide this community and its Chamber with the fruits of their labour they must be allowed reasonable budgets within which to work.

Our 1972 revenue was not large enough to cover the purchase of large volumes of distribution materials, pamphlets, booklets and directories.

It did not provide for a full time Secretary-Manager which we will now require with Mrs. Arntfield's retirement and part-time summer staff to keep the information booth open seven days a week during the summer season.

All of the details I have mentioned were missing in 1972. We firmly believe that because they were missing the Haliburton Highlands missed out on increased revenue which could have reasonably been expected. We as a body do not want to retreat and wait. We must advance,

advance before we as a body and possibly as a County are taken over by Queen's Park. This Chamber and the 200 businesses, services and professions it represents are a powerful voice which the Board of Directors, County Council and Queen's Park must heed.

In order to progress, to move forward, to compete with our neighbours to the south, west east and north we expect an increase in expenditure of \$14,000.00 over the 1972 budget. We intend to increase advertising by \$5,000.00, additional secretarial salaries and secretarial-manager salaries of \$4,000.00, and additional \$2,000.00 must be spent in order to winterize the information centre, \$2,000.00 must be spent in order to restore the Bethel Church as an historical monument and \$1,000.00 must be allotted to special committee work.

Our projected budget is therefore \$39,000.00. This favourably compares to the budgets of Huronia, Muskoka and Kawartha. It is still far below any of theirs but we feel it is competitive. As the matter of fact Muskoka works on government grants

alone which totalled \$10,000.00 more than our entire 1972 budget.

The Chamber has reached a point in time known to all economists and businessmen as the point of no return! We either obtain a substantial infusion of capital or economically stagnate, wither up and disappear.

Far from doing that we look forward to a year of progress and advancement. This coming Wednesday at County Council meeting this Chamber through its directors will present its program and its formal application for a County Grant in the sum of \$18,000.00.

We trust that this occasion tonight has been an opportunity for you to view our activities on an informal basis.

We trust that our presentation proves to you that we are a viable organization structured to meet the challenges you as County Councillors and we as citizens of this Community must face.

We respectively appeal to you to make the appropriate funds available to this Community through its Chamber of Commerce.

Committee in the St. Lawrence Ambulance Course.

Correspondence from Mr. J.

BIRTH ANNOUNCEMENT

JOHNSTON — Born at Scarborough General Hospital to Mr. and Mrs. Ted Johnston (nee June Wright) February 9th, 1973, a son 8 lb. 9 oz. A brother or Ray and Ruth.

ANNOUNCEMENT

Mrs. Bernice Misco, Avon representative for the territory north of Minden, across the bridge. Anyone wishing to receive Avon products please contact me at 457-2647.

IN MEMORIAM

In loving memory of a dear wife and mother who passed away February 22, 1970.

Gone are the days we used to share.

But in our hearts you are always there;

The Gates of Memory will never close,

We miss you more than anyone knows.

With tender love and deep regrets,

We who loved you will never forget.

Lovingly remembered by Husband Arnold and boys

also to the Ways and Means Committee. Motion carried.

Marg Horsley, on behalf of the Lake U.C.W., thanked the centre for the loan of the centre's chairs.

Moved by Ken Sawyer, seconded by Harry Hobden, that the Building Committee look into the design and renovation of the proposed apartment at the centre. Motion carried.

Moved by Harry Hobden, seconded by Leon Jones, that this meeting be adjourned. Motion carried.
